

Greenacres Memorial Park

Greenacres Memorial Park includes Whatcom County's only funeral home with a family-owned cemetery, on-site crematory and cremation cemetery—all within one beautiful location.

Greenacres includes 40 serene, park-like acres. On any given day, local residents can be seen strolling through the grounds along our many walking paths.

Our award-winning flowerbeds provide a warm, inviting setting to remember your loved ones.

Nearly 2,000 community members attend the annual **Festival of Flags and Memorial Day Remembrance Ceremony**, hosted at Greenacres Memorial Park, each year. More than 1,500 donated flags are flown in memory of local Veterans during this time to gather and honor our nation's fallen military heroes.
